

# PERSONAL LOANS

Flexible funding for almost any purpose.

Our Personal Loans deliver financing you need and are structured to save you money while you use the funding to reach important goals.

## Easy to Apply and Qualify

- Same low fixed-rate new or used
- Refinance existing loan or purchase new/used
- 100% financing may be available

## A Convenient Option to Consider

- No pre-payment penalty
- Build or repair credit
- Use your savings or share certificate as collateral to borrow money from yourself and continue to earn dividends

“

It was a fast and easy process getting my personal loan approved.
