LOAN ADMINISTRATION ONLINE LOAN PAYMENTS GUIDE

Members have the following options for making loan payments with MIT Federal Credit Union:

1. Electronic payments through e-Branch Online Banking from an **INTERNAL** bank account.
2. Electronic payments through e-Branch Online Banking from an **EXTERNAL** bank account.
3. In-person payments made at an MIT Federal Credit Union branch location.
4. Payments by mail to: MIT Federal Credit Union, 70 Westview Street, Lexington, MA 02421

Please refer to this guide for detailed instructions on making and maintaining electronic loan payments.

NOTE: Funds must be available when making or scheduling electronic payments.

ONLINE LOAN PAYMENTS FROM AN MIT FCU ACCOUNT

Please see the steps below for instructions on making online loan payments from an MIT FCU account.

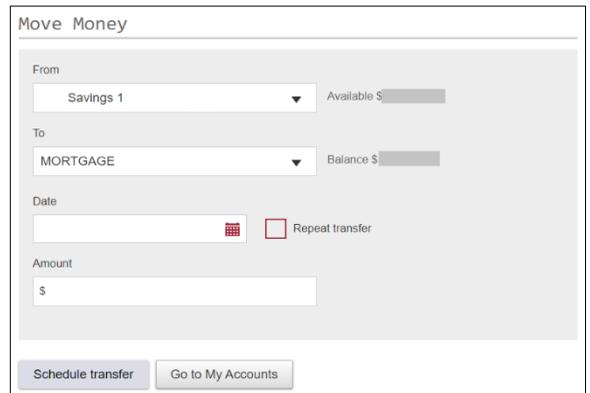

Step 1. Navigate to the mitfcu.org website and log in to your e-Branch Online Banking account.

Step 2. The Homepage will display all of your accounts. Under the loan you wish to pay, click "Pay."

Step 3. Select the MIT FCU account from which you want loan payment funds to be drawn, then select your desired payment date and amount.

Setting up recurring payments is easy! Simply check the "Repeat transfer" box and select your desired payment frequency preferences. Click "Save" to save recurring transfer settings.

Step 4. Click "Schedule Transfer" to complete your request.

Step 5. To confirm recurring payments, from the "Transfers" tab, select "View Scheduled Transfers." If your recurring loan payments are not listed, then the recurring payment was not scheduled successfully, and the process will need to be repeated.

NOTE: Principal-only payments can be made on **first mortgages only** and must be submitted in writing to Loan Administration at loanadmin@mitfcu.mit.edu. **Principal first mortgage payments cannot be processed online.** In your email request, please indicate from which MIT FCU account to draw funds, the borrower's name(s), and the property address. **For security purposes, please DO NOT include your loan and/or member number.**

ADDING EXTERNAL ACCOUNTS FOR ONLINE LOAN PAYMENTS

Funds may be transferred to your MIT Federal Credit Union accounts from external banking institutions as desired or for the purposes of paying loans. Please see the steps below for instructions on setting up external funds transfer accounts for online loan payments.

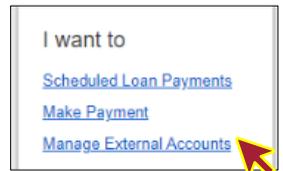

NOTE: External bank routing and account numbers are required for this process. First-time users will be prompted to complete the External Funds Transfer verification process.

Step 1. Navigate to the mitfcu.org website and log in to your e-Branch Online Banking account.

Step 2. Hover over the “Payments” tab, then click “Loan Pay.”

Step 3. From the “I want to” menu, select “Manage External Accounts.”

Step 4. Under “Loan Payment--Add Account” provide your external bank account information, then click “Continue.”

 A screenshot of the 'Loan Payment--Add Account' form. The form contains the following fields:

- Account type: A dropdown menu with '--Select--' selected.
- Enter Bank Name or 9 Digit Routing Number: A text input field.
- Below the input field, there is a diagram showing a routing number '0123456780' and an account number '11000123456789'. The routing number is labeled '9 Digit Routing Number' and the account number is labeled 'Account Number'.
- Please enter your account number: A text input field.
- Please confirm your account number: A text input field.
- At the bottom, there are 'Continue' and 'Cancel' buttons. A yellow arrow points to the 'Continue' button.

SCHEDULING ONLINE LOAN PAYMENTS VIA AUTOMATIC TRANSFER

Please see the steps below for instructions on scheduling one-time or recurring loan payments via automatic account transfer from an internal MIT FCU account.

Step 1. Navigate to the mitfcu.org website and log in to your e-Branch Online Banking account.

Step 2. Hover over the “Transfers” tab, then click “Schedule an Internal Transfer.”

Step 3. On the “Move Money” screen, select the account from which you want loan payment funds to be transferred, and the loan account you wish to pay.

Select the date you want the transfer to occur and enter the loan payment amount.

Click “Make transfer” to process a one-time account transfer loan payment.

Please proceed to step 4 for instructions on setting up recurring payments via automatic transfer.

LOAN ADMINISTRATION ONLINE LOAN PAYMENTS GUIDE

Step 4. To schedule recurring loan payments via automatic transfer, check the “Repeat” box.

The screenshot shows the 'Move Money' form. It includes fields for 'From' and 'To' (both dropdown menus with 'Available' text to the right), a 'Date' field with '10/01/2022' and a calendar icon, a 'Repeat' checkbox which is checked and highlighted by a red arrow, and an 'Amount' field with a '\$' symbol. At the bottom are 'Schedule transfer' and 'Go to My Accounts' buttons.

Step 5. Select your desired transfer frequency, transfer date, and length of recurrence, then click “Save.”

The screenshot shows a dialog box titled 'How would you like to repeat this transfer?'. It contains three dropdown menus: 'Frequency' set to 'Every month', 'On' set to '1st', and 'Until' set to 'I cancel'. Below the dropdowns is a note: 'Transfers scheduled starting today will begin on the next scheduled date.' At the bottom are 'Save' and 'Cancel' buttons, with the 'Save' button highlighted by a red arrow.

CANCELLING RECURRING ONLINE LOAN PAYMENTS OR AUTOMATIC TRANSFERS

Please see the steps below for instructions on canceling pending one-time or recurring loan payments via automatic account transfer.

Step 1. Navigate to the mitfcu.org website and log in to your e-Branch Online Banking account.

Step 2. Hover over the “Payments” tab, then click “Loan Pay.”

Step 3. Under “Scheduled Loan Payments,” locate the desired recurring loan payment and click “Cancel.”

Scheduled Loan Payments					
From	To	Amount	Pay on	Repeat	Actions
		\$1,300.00	08/07/2020	Once a month on 7th until I cancel	Cancel

Step 4. For recurring payments, you may cancel the next payment by selecting “Cancel Next Payment,” or cancel the entire payment series by selecting “Cancel Series,” and then click “Yes.”

⚠ Are you sure you want to cancel this payment?

LOAN ADMINISTRATION ONLINE LOAN PAYMENTS GUIDE

Step 3. Click “Add an alert,” then under “Reminders,” select “Loan payment due,” or “Loan payment overdue” to set up email or text message loan payment reminders.

The screenshot shows a dropdown menu titled "Add an alert +". The menu lists several alert categories: "Accounts" (Balance update), "Activity" (Low balance, High balance, Large withdrawal, Large deposit, Check cleared), "Reminders" (Loan payment due, Loan payment overdue), "Maturity date", and "Personal message". A red box highlights the "Reminders" section, and a red arrow points to the "Add an alert +" button.

Step 4. To edit or delete alerts or reminders, hover over the alert or reminder then click “More Options” to edit, or “Remove” to delete.

The screenshot shows a row in a table with the header "Alert Type". The row contains a checkbox, a text input field, and a numeric input field with a dollar sign and the number "1". A red arrow points to the "More Options" and "Remove" links at the end of the row.
